GUAIMACA MINISTRIES :: A MINISTRY OF

BMDMI

MORE THAN MEDICINE

Ministering to those in need

Headquartered in Hattiesburg, BMDMI is a missionary sending organization that specializes in short-term mission trips focused on providing medical and dental care to remote areas of Honduras and Nicaragua.

Baptist Medical & Dental Mission International exists under the Lordship of Jesus Christ to evangelize the lost, disciple the saved, and minister to the needs of the poor. Since its establishment in 1974, BMDMI has founded more than 150 churches in Honduras and Nicaragua and treated more than two million patients with medical and dental care. BMDMI has more than 20 missionary family units serving in Honduras, Nicaragua, and most recently, Nepal. www.BMDMI.org

BMDMI

MORE THAN MEDICINE

Guaimaca Ministries

Guaimaca Ministries in Guaimaca, Honduras is part of the long-term healthcare ministry of Baptist Medical & Dental Mission International (BMDMI), which has served the poor in Central America since 1974.

As one of the poorest nations in the region, quality healthcare is not a reality for most people in Honduras. Extreme poverty has caused many to go without basic treatment, much less, quality care, and the waiting time for surgery at a public hospital may be as long as ten years.

The Baptist Hospital is the flagship of BMDMI's Guaimaca Ministries, working year-round to provide quality healthcare to one of Honduras' poorest areas.

Additionally, BMDMI's Guaimaca Ministries coordinates hundreds of North American volunteers to serve the surrounding communities through the distribution of food and water, medical brigades, children's activities, construction efforts and evangelism.

And He sent them to preach the kingdom of God, and to heal the sick. - Luke 9:2

What does the Baptist Hospital provide?

The Baptist Hospital offers year-round clinical care and provides a wide variety of life-giving surgical procedures. The Hospital provides a medical clinic, emergency center, X-ray services, a fully stocked pharmacy and a diagnostic laboratory. A newly constructed Surgical Wing allows for visiting North American medical professionals to perform a wide range of surgeries in a safe, state-of-the-art facility. Structured similarly to North American surgery suites, the new Surgical Wing has opened the door for more intensive procedures to be performed, including urological, gynecological, intra-abdominal, orthopedic surgeries, and more. New laparoscopic equipment has also increased the surgical capabilities of the medical staff and volunteers.

The ministry provided by the Baptist Hospital would not be possible without volunteers, financial supporters and resource providers. The Hospital is able to provide quality healthcare to thousands of Hondurans because volunteers willingly offer their skills, resources and time.

How can I get involved?

Volunteers can serve in various capacities through BMDMI's Guaimaca Ministries. Short-Term Mission Teams are sent throughout the year and can be comprised of medical professionals and non-medical volunteers. For information on serving on a Short-Term Mission Team in Guaimaca, contact a Teams Activities Coordinator at 601.544.5007.

Medical Professionals

Medical Professionals are always needed at the Baptist Hospital, and can be accommodated for various lengths of service. Medical Professionals may travel with a Short-Term Mission Team or serve separately for an extended period of time. Currently, the Hospital is in need of long-term medical volunteers with specialized training, such as surgeons, obstetricians and others.

Support

Do you have access to unused medical supplies or equipment? Please contact the BMDMI Home Office at 601.544.3586 to learn more about how you can donate items to the Baptist Hospital. No gift is too small or too large! Your financial and/or resource support of the Baptist Hospital through BMDMI allows for quality healthcare to be offered to thousands of Hondurans.

ASSOCIATE MEMBER

Become involved with

BMDMI

We hope that you will prayerfully consider becoming involved with the work of BMDMI, specifically at the Baptist Hospital in Honduras. Please complete and submit this form to request additional information, or be contacted directly by someone from BMDMI.

I am interested in...

- volunteering my professional services at the Baptist Hospital
- donating medical supplies/equipment to the Baptist Hospital
- financially supporting the work of BMDMI
- learning more about BMDMI's ministries in Honduras, Nicaragua and Nepal
- exploring Full-Time Missionary service through BMDMI

I would like more information on...
